AMB SPECIAL: Advertise your appearance at AMB 2020

Dear Sir or Madam,

From 15 to 19 September 2020, the experts of the machining and metalworking industry will meet in Stuttgart already for the 20th time. More than 1500 exhibitors will present their developments and innovations on a gross exhibition area of over 120,000 square metres.

Draw attention to your trade fair appearance! Use the **official trade fair magazine AMB SPECIAL** as part of your communication. In the run-up to the trade fair, AMB SPECIAL will be enclosed as a supplement in technical literature and actively distributed at AMB on all days of the trade fair. The magazine contains interesting facts about AMB and the industry, and invites people to attend the event. Present your company and your products in this setting and increase your trade fair success.

We attach all the necessary booking documentation from our long-standing partner, Werbeagentur Beck GmbH & Co. KG in Esslingen. The agency is commissioned with the selling of advertising space and production of the trade fair magazine.

Ms Elke Groeger is therefore happy to answer any queries you may have, Tel. +49 711 38986586 or +49 711 937893-0, e-mail: groeger@werbeagentur-beck.de

Book your advertisement early because the number of advertising spaces is limited and huge interest is expected based on experience. Take advantage of this exclusive opportunity to actively address customers and visitors.

We look forward to receiving your booking.

Kind regards
